

ACS Cutter II Series of Cutting Machines

Cutter II Models offered	510	512	520	610	612
Effective Cutting Area in Feet	5 x 10	5 x 12	5 x 20	6 x 10	6 x 12
Effective Cutting Width in Inches	60	60	60	72	72
Effective Cutting Length in Inches	120	144	240	120	144
Ships in a single piece	Yes	Yes	No	Yes	Yes
Number of full sheet cutting tables	1	1	2	1	1
Down Draft Cutting Table	Standard	Standard	Standard	Standard	Standard
Rapid Traverse Speed (Inches Per Minute)	1400 IPM	1400 IPM	1400 IPM	1400 IPM	1400 IPM
Machine Width	83 In	83 In	83 In	95 IN	95 In
Machine Length	191 In	215 In	311 In	191 In	215 In
Table Height Adjustable	30" to 32"				
Machine Drive Voltage	115 Vac 15 Amps				
Controller	ACS Windows 10 Controller				
Drive System	2 Axis One Motor on the X Axis and One Motor on the Y Axis				
Extra Wide Drive Truck					
Standard Torch Height Control	Floating Head with Pneumatic Raise and Lower				
Standard Plasma	Hypertherm Powermax 45 XP				
Standard Software	AutoDesk Fabrication CAMduct (Perpetual License)				
Remote Data Entry Software	Included	Included	Included	Included	Included
Office Computer and Printer for Fab CAM	Included	Included	Included	Included	Included
Down Load to ACS AutoFold Coil Lines	Included	Included	Included	Included	Included
Onsite Installation and Training (all expenses)	Included	Included	Included	Included	Included
Options:					
Plasmas	Powermax 65	Powermax 65	Powermax 65	Powermax 65	Powermax 65
	Powermax 85	Powermax 85	Powermax 85	Powermax 85	Powermax 85
	Powermax 105	Powermax 105	Powermax 105	Powermax 105	Powermax 105
	MaxPro 200	MaxPro 200	MaxPro 200	MaxPro 200	MaxPro 200
Optional Combo Plasma/Rotary Insulation	Optional	Optional	Optional	Optional	Optional
Optional Torch Height Control (Thick Plate)	Automatic Torch Height Control with Magnetic Crash Guard and Laser Allignment Tool				
Water Table Insert (Normally for Thick Plate)	Optional	Optional	Optional	Optional	Optional
